Uninterrupted Power for
Unstoppable Gaming

N-DURON Power Solutions

N-DURON provides a comprehensive range of energy storage solutions for inverters, solar panels, and UPS systems, engineered for both reliability and innovation. Our Tubular Lead-Acid Series utilizes high-purity HDDT plates with a specialized anti-corrosive coating, offering exceptional durability and deep-cycle performance for heavy-duty use, backed by up to a 5-year warranty. Complementing this, our new **Next-Gen Lithium-Ion (LiFePO₄)** Series delivers a compact, maintenance-free alternative that is 70% lighter and charges significantly faster. Featuring an intelligent Battery Management System (BMS) for maximum safety and an eco-friendly, fume-free design, **N-DURON** lithium batteries provide the ultimate high-efficiency power solution for modern homes and offices.

Specification

Model Name	AH	Voltage	Cycle Life	WARRANTY
LFP/12.8V	100/150	12.8V	3000	5 YEAR
LFP/25.6V	100/150/200	25.6V	3000/4000/6000	5 YEAR
LFP/51.2V	100/150/200/314	51.2V	3000/4000/6000/8000	5 YEAR

Which Technology is Right for You?

Feature	Tubular Lead-Acid	Lithium-Ion
Maintenance	Regular water topping required	Zero maintenance
Charging Speed	Standard	Ultra-Fast
Weight	Heavy / Bulky	Lightweight / Compact
Cycle Life	High (Deep Discharge)	Extreme (Longest Lifespan)
